

KANGAROO RULES

We hope these tips will help you experience the most enjoyment while spending time with our precious kangaroos.

Pat on back only.

Do not touch kangaroos on the head or hold their arms.

Crouch down when feeding or patting the animals.

Only feed kangaroos with food pellets provided.

Do not eat food inside the kangaroo paddock.

Do not touch joeys within the pouch or joeys recently out of the pouch as mother kangaroos may act defensively.

CURRUMBIN WILDLIFE SANCTUARY

- Please walk when inside the kangaroo paddock
- No umbrellas or poncho raincoats allowed during wet weather
- Do not touch the kangaroos' genitalia, they may become upset.
- Kangaroos may respond defensively if treated poorly. Handling a kangaroo inappropriately could potentially result in injury.

Wash your hands thoroughly after touching the animals.
